

Call for applications: 15 vacancies for early career researchers

The IMPROVE - PD project (MSCA ITN-ETN) offers 36-month full-time labour contracts in any of the seven EU countries participating. The partners in the consortium include: CSIC-CBM (Centre for Molecular Biology Severo Ochoa), Universidad Autónoma de Madrid, Cardiff University, Ghent University, the Dutch Kidney Foundation, INSERM Nancy Clinical Investigation Centre, Universitaets-Klinikum Heidelberg, etc.

The aim of the MSCA Innovative Training Networks (ITN) is to train a new generation of creative, entrepreneurial and innovative early-stage researchers, able to face current and future challenges and to convert knowledge and ideas into products and services for economic and social benefit.

Deadline for applications is 31 March 2019.

For more information, please contact:
