

Measures for all students of the Faculty of Medicine of Charles University in Pilsen!!!

Dear colleagues,

The following measures apply to all students of the Faculty of Medicine of Charles University in Pilsen with immediate effect

All students, who

1) resided in high-risk countries ITALY, IRAN, SOUTH KOREA, CHINA **since 1.3. 2020 till present**

OR

2) live together with a quarantine person due to COVID 19

OR

3) were in contact with a positive person for COVID 19

They have 14 days of home self-study starting today or the day any of the above situations occur, and the student will start teaching after this 14-day period, unless the symptoms of the COVID infection develop.

The student is obliged to report this fact by e-mail or telephone to Centre for studies in English of the Faculty of Medicine in Pilsen and at the same time they must to they must complete the questionnaire at the following address:
