

## **New curriculum of General Medicine Course**

**This curriculum is valid for students enrolled as 1st year students of General Medicine Course in the current academic year 2019/19 and in upcoming academic years.**

Students enrolled as 1st year students before the academic year 2019/20 are continuing their studies without change according the original (old) curriculum.

System of the curriculum valid in the current academic year 2019/20 please find also in the Karolinka booklet attached to this article.
